## Those Who Served

DD team members share photos of themselves, family members

Once again, to honor Data Dimensions team members and their family members who have served in the U.S. military, we asked employees to send in photos of themselves and their loved ones. They responded enthusiastically, sharing more than 60 photos covering all branches of service and ranging from World War I to the war in Afghanistan. The photos fill the entire edition of this newsletter, and more can be found on DD Lounge.

### Support Vets causes in Nov. at DD

Data Dimensions is encouraging team members to support our veterans during November with the purchase of a camo-themed "In Appreciation of our Veterans" shirt at DD Store. The shirts are \$10 and available in all sizes. Part of the proceeds will benefit Vets Roll and the veterans served by Rock Valley Community Programs.

Also, we encourage all DD team members to visit the Community page of DD Lounge to see volunteer opportunities at the veterans organizations in their area.
